Programs & Projects Benefits Enablement

Ministry of Justice – Vision Realization Office (VRO)

Sep 2022 – Present

Development of the legal profession sector execution plan and of digital solutions for the General Directorate of Legal Profession, and oversight of the courts empowerment and project sustainability methodologies, ensuring measurable added value that continues after project handover.

Key Achievements

- Developed the legal profession sector execution plan based on a gap analysis, and held workshops and surveys in collaboration with the Saudi Bar Association.
- Designed and developed digital solutions for the General Directorate of Legal Profession, including the Lawyers’ Media Appearance Enablement Tool, the database platform and an AI-enabled operating model for service delivery.
- Developed the MOJ–VRO Project Sustainability Methodology, approved by the Minister of Justice, and applied it to the 2022 and 2023 projects.
- Prepared the courts empowerment execution methodology and its detailed plan, approved by the Deputy Minister for Judicial Affairs, and took part in the field empowerment visits.
- Prepared the sustainability training kit and methodology handbook, and trained MOJ staff and project managers on their application.
- Designed and applied value-assurance gates to ensure added value before handover and business continuity after closure.
- Prepared the General Directorate of Legal Profession’s presentation for four consecutive periodic meetings with H.E. the Minister of Justice.
- Prepared the Detailed Study on the Increase in the Number of Licensed Lawyers, approved by the Minister of Justice.
- Prepared an organizational study on strengthening institutional coordination across the Ministry, covering gap analysis, benchmarking, a proposed structure and impact indicators.
- Developed a concept for measuring judicial impact and institutional performance in the Saudi Vision 2030 annual reports.
- Developed the concept for an introductory forum for licensed foreign law firms with the relevant government entities.

Change Management Enablement

Ministry of National Guard Development Program (MNGDP)

Jan 2020 – Sep 2022

Participation, as part of the team, in developing the Change Center of Excellence (COE) strategy, and follow-up of COE activities through the deep-dive phase to ensure governance of change across projects.

Key Achievements

- Developed the COE toolkit suite, approved by the Program CEO, covering change impact, readiness, risk and ease-of-transition assessments.
- Established COE acceptance criteria and embedded them in portfolio gate reviews.
- Assessed the Ministry’s change readiness in the design phase and submitted the CEO-approved results to top management.
- Integrated COE outputs and its implementation plan into the MNG Transformation Charter as part of the oversight team.
- Participated in developing and reviewing change strategies and frameworks.

Part-time Undergraduate Lecturer

Al Yamamah University

2019

Taught the Sales Management course to male and female undergraduate sections.

Transformation Leader

Arab National Bank (ANB)

Sep 2008 – Apr 2014

Member of the bank-wide transformation team implementing the branch transformation program, following up ladies' branches on awareness, adoption and implementation of the new strategy.

Key Achievements

- Implemented branch-level transformation initiatives and aligned branch procedures with the new strategy.
- Delivered communication, awareness and knowledge-transfer activities to support employee adoption of change.
- Reduced resistance to change through regular field visits, identification of challenges and guidance to branch teams.
- Coordinated with branch managers on business growth, customer service and performance targets.
- Analyzed balanced-scorecard effectiveness and submitted recommendations to top management.
