Profile

My work is making sure institutional transformation programmes deliver their intended benefits, rather than simply closing their projects. I have built three leadership-approved methodologies: a project sustainability methodology, a courts empowerment methodology, and the toolkits of a Change Center of Excellence. My experience spans banking, national development programmes and the justice sector, and centres on three things: turning strategy into measurable delivery, securing benefits realization, and sustaining value long after projects are handed over.

Programs & Projects Benefits Enablement

Sep 2022 – Present

Ministry of Justice – Vision Realization Office (VRO)

Lead the development of the legal profession sector execution plan, manage digital transformation projects at the General Directorate of Legal Profession, and oversee the courts empowerment execution methodology and the MOJ–VRO project sustainability framework endorsed by senior leadership, ensuring every project delivers measurable added value that endures after handover to operating entities.

Key Achievements

- Developed the execution plan for the legal profession sector, grounded in a structured gap analysis.
- Designed and facilitated workshops and surveys with the Saudi Bar Association, translating their outputs into the sector's strategic development plan.
- Led digital transformation projects at the General Directorate of Legal Profession, including applying AI to the review of lawyers' media content and designing a digital-agent operating model.
- Developed the MOJ–VRO Project Sustainability Methodology, approved by the Minister of Justice and applied across the 2022 and 2023 project portfolios.
- Built the courts empowerment execution methodology and detailed plan under the Judiciary Portfolio, structured across the before, during and after phases of each visit, and took part in the field empowerment visits; approved by the Deputy Minister for Judicial Affairs.
- Authored the sustainability training kit and handbook, and trained MOJ staff and VRO project managers to apply the methodology.
- Designed and implemented value-assurance gates requiring projects to demonstrate added value before handover and to sustain business continuity after closure.
- Prepared the General Directorate of Legal Profession's presentation for four consecutive periodic meetings with H.E. the Minister of Justice.
- Prepared an organizational study on strengthening institutional coordination across the Ministry, covering gap analysis, benchmarking, a proposed structure and impact measures.
- Contributed to sectoral risk-assessment work.
- Prepared the concept for an introductory forum for licensed foreign law firms with the relevant government entities, to align messaging and strengthen regulatory compliance.
- Prepared a concept paper on showcasing judicial impact in the Saudi Vision 2030 annual reports, with a proposed mechanism for measuring impact and institutional performance.
- Prepared the Detailed Study on the Increase in the Number of Licensed Lawyers, approved by the Minister of Justice.

Change Management Enablement

Jan 2020 – Sep 2022

Ministry of National Guard Development Program (MNGDP)

Contributed, as part of the team, to developing the Change Center of Excellence (COE) strategy for the program, including approved change toolkits, COE acceptance criteria aligned with portfolio gate reviews, and readiness assessments integrated into the MNG Transformation Charter. Monitored all COE activities through deep-dive phases to ensure effective governance of change across projects.

Key Achievements

- Built and obtained Program CEO approval for the COE toolkit suite: Change Impact Assessment, Change Readiness Assessment, Change Risk Assessment, and Ease of Transition.
- Contributed, as part of the team, to developing and validating the program's change strategies and frameworks.
- Established COE acceptance criteria and embedded them in portfolio gate reviews to govern project change activities.
- Assessed the Ministry's change readiness during the design phase; reported to top management and secured Program CEO approval.
- Integrated COE outcomes and the implementation plan into the MNG Transformation Charter as part of the oversight team.
- Monitored and validated all COE activities during the deep-dive phase.

Part-time Undergraduate Lecturer

2019

Al Yamamah University

Delivered the Sales Management course to male and female undergraduate sections.

Transformation Leader

Sep 2008 – Apr 2014

Arab National Bank (ANB)

Member of the bank-wide transformation team accountable for the successful implementation of the branch transformation program, with specific ownership of ladies' branches: strategy awareness, full adoption, and implementation.

Key Achievements

- Contributed, as a member of the transformation team, to implementing branch-level transformation initiatives and aligning branch processes with the new strategy.
- Supported communication, awareness and knowledge-transfer efforts to secure employee understanding and buy-in.
- Reduced resistance to change through regular branch visits, barrier identification, and targeted coaching.
- Partnered with branch managers to improve business opportunities, customer service, and performance-target achievement.
- Analyzed balanced-scorecard effectiveness and delivered recommendations to top management to enhance performance and transformation outcomes.
