## Professional Experience

### Director of Program & Project Benefits Management

Sep 2022 – Present

#### Ministry of Justice – Vision Realization Office (VRO)

Leads benefits enablement for programs and projects, integrating change management, decision support and digital transformation, with leadership-approved outputs spanning methodologies, studies, execution plans and digital solutions.

#### Key Achievements

- Designed and developed digital solutions for the General Directorate of Law Practice, including the Lawyers' Media and Advertising Enablement Tool, the Law Practice Data Platform and the AI Assistant.
- Prepared the Licensed Lawyers Growth Study, approved by the Minister of Justice.
- Developed the Law Practice Sector Development Execution Plan through five workshops held at the Saudi Bar Association with around 82 participating lawyers.
- Developed the presentations for four periodic meetings with H.E. the Minister of Justice.
- Prepared the Foreign Law Firms Forum plan with the participation of relevant government entities.
- Reviewed the Ministry of Justice contribution to the Saudi Vision 2030 Annual Report, with recommendations to better highlight its achievements and impact in future reports.
- Prepared the Interdepartmental Affairs (Institutional Coordination) Study to strengthen coordination and integration across the Ministry.
- Prepared the Courts Enablement Execution Plan for managing court visits across three stages, and participated in the field visits.
- Designed and applied value-assurance gates to ensure added value before handover and business continuity after closure.
- Prepared the sustainability training kit and methodology handbook, and trained MOJ staff and project managers on their application.
- Developed the MOJ–VRO Project Sustainability Methodology, approved by the Minister of Justice, and applied it to the 2022 and 2023 projects.

### Change Management Enablement Ministry of National Guard Development Program (MNGDP)

Jan 2020 – Sep 2022

Participated in building and developing the Change COE strategy, and monitored and validated Change COE activities during the deep-dive phases, ensuring change governance aligned with portfolio gates. Member of the oversight team for building the Ministry of National Guard Transformation Charter Strategy.

#### Key Achievements

- Developing the Change Management Strategy and Frameworks**  
Developed the change management strategy and its associated frameworks and methodologies, and defined their application mechanisms and alignment with the Program's requirements.
- Designing and Developing Change Tools**  
Designed and developed change tools linked to portfolio gates, including:
  - Change Impact Assessment:** measuring the scale and nature of change and business-area change tolerance, analyzing impact and ease of transition, and producing dashboards and heat maps.
  - Change Readiness Assessment:** measuring readiness based on the ADKAR model at the design, pre-launch and post-launch stages.
  - Change Risk Assessment:** identifying and assessing change-related risks at project level.
  - Ease of Transition Assessment:** assessing the ease of transition to the target state.
- Developing Change Management Acceptance Criteria**  
Prepared and applied acceptance criteria for change management activities and linked them to portfolio gate reviews, to verify that requirements are met across project stages.
- Change Readiness Assessment**  
Analyzed the organization's capacity for change during the design phase, and prepared and submitted the findings to senior management.
- Integrating Change Management Outputs into the Transformation Strategy Charter**  
Aligned change management outputs with the implementation plan and integrated them into the Ministry of National Guard Transformation Strategy Charter.

## Part-time Undergraduate Lecturer

2019

Al Yamamah University

Delivered lectures for the Sales Management course to male and female undergraduate students.

## Transformation Leader

Sep 2008 – Apr 2014

Arab National Bank (ANB)

Implemented branch transformation initiatives across the bank as part of the transformation team, and enabled the women's branches to adopt and apply the new strategy through awareness activities and field follow-up.

### Key Achievements

- Implemented branch-level transformation initiatives and aligned branch procedures with the new strategy.
- Delivered communication, awareness and knowledge-transfer activities to support employee adoption of change.
- Reduced resistance to change through regular branch visits, identifying adoption barriers and staff concerns, and coaching branch teams.
- Coordinated with branch managers on business growth, customer service and performance targets.
- Analyzed the effectiveness of the balanced scorecard and submitted recommendations to senior management to improve performance.
