## Professional Experience

### Director of Program & Project Benefits Management

Sep 2022 – Present

#### Ministry of Justice – Vision Realization Office (VRO)

Leads benefits enablement for programs and projects, integrating change management, decision support and digital transformation, with leadership-approved outputs spanning methodologies, studies, execution plans and digital solutions.

#### Key Achievements

- Designed and developed digital solutions for the General Directorate of Law Practice, including the AI Media Appearance Compliance Tool for Lawyers, the Law Practice Sector Data Platform and the AI-enabled redesign of the operating model.
- Prepared the Detailed Study on the Increase in the Number of Licensed Lawyers, approved by the Minister of Justice.
- Developed the law practice sector execution plan based on a gap analysis and five workshops held with the Saudi Bar Association and attended by around 82 lawyers.
- Prepared the executive presentations for four consecutive periodic meetings with H.E. the Minister of Justice.
- Prepared the introductory forum for licensed foreign law firms in coordination with the relevant government entities.
- Developed a report to measure judicial impact and institutional performance for the Saudi Vision 2030 annual reports.
- Prepared an organizational study on strengthening institutional coordination across the Ministry, covering gap analysis, benchmarking, a proposed structure and impact indicators.
- Prepared the court empowerment execution methodology and its detailed plan, and participated in the court empowerment field visits.
- Designed and applied value-assurance gates to ensure added value before handover and business continuity after closure.
- Prepared the sustainability training kit and methodology handbook, and trained MOJ staff and project managers on their application.
- Developed the MOJ–VRO Project Sustainability Methodology, approved by the Minister of Justice, and applied it to the 2022 and 2023 projects.

### Change Management Enablement

Jan 2020 – Sep 2022

#### Ministry of National Guard Development Program (MNGDP)

Contributed to developing the Change Management Center of Excellence (COE) strategy, and delivered and monitored change management activities during the projects' detailed study phase, ensuring change governance aligned with portfolio gates.

#### Key Achievements

- Designed and developed the COE change management tools, including the Change Impact Assessment and Change Readiness Assessment tools, linked to portfolio gates and approved by the Program CEO.
- Established COE acceptance criteria and embedded them in portfolio gate reviews.
- Assessed change impact and readiness during the design phase and submitted the results to senior management.
- Contributed to building the National Guard Transformation Charter as a member of the oversight team, integrating the COE outputs and implementation plan into it.
- Participated in developing and reviewing change strategies and frameworks.

## Part-time Undergraduate Lecturer

### AI Yamamah University

2019

Delivered lectures for the Sales Management course to male and female undergraduate students.

## Transformation Leader

### Arab National Bank (ANB)

Sep 2008 – Apr 2014

Implemented branch transformation initiatives across the bank as part of the transformation team, and enabled the women's branches to adopt and apply the new strategy through awareness activities and field follow-up.

#### Key Achievements

- Implemented branch-level transformation initiatives and aligned branch procedures with the new strategy.
- Delivered communication, awareness and knowledge-transfer activities to support employee adoption of change.
- Reduced resistance to change through regular field visits, identification of challenges and guidance to branch teams.
- Coordinated with branch managers on business growth, customer service and performance targets.
- Analyzed the effectiveness of the balanced scorecard and submitted recommendations to senior management.
