Ministry of Justice – Vision Realization Office (VRO)

Managing programmes and projects benefits enablement, combining change management, decision support and digital transformation, with leadership-approved outputs spanning methodologies, studies, execution plans and digital solutions for the legal profession sector.

Key Achievements

- Designed and developed digital solutions for the General Directorate of Legal Profession, including the Lawyers' Media Appearance Enablement Tool, the database platform, and the redesign of the operating model using AI.
- Prepared the Detailed Study on the Increase in the Number of Licensed Lawyers, approved by the Minister of Justice.
- Developed the legal profession sector execution plan based on a gap analysis and five workshops held with the Saudi Bar Association with around 82 lawyers, approved by the Minister of Justice.
- Prepared the executive presentations for four consecutive periodic meetings with H.E. the Minister of Justice.
- Developed the concept for an introductory forum for licensed foreign law firms with the relevant government entities.
- Developed a report for measuring judicial impact and institutional performance in the Saudi Vision 2030 annual reports.
- Prepared an organizational study on strengthening institutional coordination across the Ministry, covering gap analysis, benchmarking, a proposed structure and impact indicators.
- Prepared the courts empowerment execution methodology and its detailed plan, approved by the Deputy Minister for Judicial Affairs, and took part in the field empowerment visits.
- Designed and applied value-assurance gates to ensure added value before handover and business continuity after closure.
- Prepared the sustainability training kit and methodology handbook, and trained MOJ staff and project managers on their application.
- Developed the MOJ-VRO Project Sustainability Methodology, approved by the Minister of Justice, and applied it to the 2022 and 2023 projects.

Change Management Enablement

Jan 2020 – Sep 2022

Ministry of National Guard Development Program (MNGDP)

Contributed to the development of the Change Management Center of Excellence strategy, and executed and monitored change management activities throughout the detailed study phase to ensure change governance across projects.

Key Achievements

- Designed and developed the COE change management tools, including the Change Impact Assessment and Change Readiness Assessment tools linked to portfolio gates, approved by the Program CEO.
- Established COE acceptance criteria and embedded them in portfolio gate reviews.
- Assessed change impact and readiness in the design phase and submitted the results to top management.
- Integrated COE outputs and its implementation plan into the MNG Transformation Charter as part of the oversight team.
- Participated in developing and reviewing change strategies and frameworks.
