Professional Experience

Director of Programs & Projects Benefits Management
Ministry of Justice – Vision Realization Office (VRO)

Sep 2022 – Present

Leading programmes and projects benefits enablement at the Vision Realization Office, spanning digital transformation, decision support and change management. This includes designing and developing data- and AI-driven digital solutions for the General Directorate of Legal Profession, preparing the legal profession sector execution plan, producing studies and reports that inform decisions of the Minister and senior leadership, developing the courts empowerment methodology, and earlier the project sustainability methodology together with training Ministry staff and project managers on it.

Key Achievements

- Designed and developed digital solutions for the General Directorate of Legal Profession, including the Lawyers' Media Appearance Enablement Tool, the database platform and an AI-enabled operating model for service delivery.
- Prepared the Detailed Study on the Increase in the Number of Licensed Lawyers, approved by the Minister of Justice.
- Developed the legal profession sector execution plan based on a gap analysis and five workshops held with the Saudi Bar Association with around 82 lawyers, approved by the Minister of Justice.
- Prepared the General Directorate of Legal Profession's presentation for four consecutive periodic meetings with H.E. the Minister of Justice.
- Developed the concept for an introductory forum for licensed foreign law firms with the relevant government entities.
- Developed a report for measuring judicial impact and institutional performance in the Saudi Vision 2030 annual reports.
- Prepared an organizational study on strengthening institutional coordination across the Ministry, covering gap analysis, benchmarking, a proposed structure and impact indicators.
- Prepared the courts empowerment execution methodology and its detailed plan, approved by the Deputy Minister for Judicial Affairs, and took part in the field empowerment visits.
- Designed and applied value-assurance gates to ensure added value before handover and business continuity after closure.
- Prepared the sustainability training kit and methodology handbook, and trained MOJ staff and project managers on their application.
- Developed the MOJ–VRO Project Sustainability Methodology, approved by the Minister of Justice, and applied it to the 2022 and 2023 projects.

Change Management Enablement
Ministry of National Guard Development Program (MNGDP)

Jan 2020 – Sep 2022

Contributing, as a team member, to the Change Center of Excellence (COE) strategy, and following up COE activities through the deep-dive phase to ensure change governance across projects.

Key Achievements

- Designed and developed the COE change management tools, including the Change Impact Assessment and Change Readiness Assessment tools linked to portfolio gates, approved by the Program CEO.
- Established COE acceptance criteria and embedded them in portfolio gate reviews.
- Assessed change impact and readiness in the design phase and submitted the results to top management.
- Integrated COE outputs and its implementation plan into the MNG Transformation Charter as part of the oversight team.
- Participated in developing and reviewing change strategies and frameworks.

Part-time Undergraduate Lecturer

Al Yamamah University

2019

Delivered lectures in the Sales Management course to male and female undergraduate students.

Transformation Leader

Arab National Bank (ANB)

Sep 2008 – Apr 2014

Member of the bank-wide transformation team implementing the branch transformation program, following up ladies' branches on awareness, adoption and implementation of the new strategy.

Key Achievements

- Implemented branch-level transformation initiatives and aligned branch procedures with the new strategy.
- Delivered communication, awareness and knowledge-transfer activities to support employee adoption of change.
- Reduced resistance to change through regular field visits, identification of challenges and guidance to branch teams.
- Coordinated with branch managers on business growth, customer service and performance targets.
- Analyzed balanced-scorecard effectiveness and submitted recommendations to top management.
